INSTRUCTIONS FOR USE

- 1** . Before use: shake vigorously for at least one minute (even after hearing clearly the balls) to avoid sedimentation of the pigment which could clog the diffuser. Do not hesitate to shake again during use.
- 2** . Use STRONG MARKER « head up », about 10cm from the support
- 3** . After use, put the aerosol in « head down » position and purge during 2 seconds to clean the valve and the nozzle. Purging is ESSENTIAL to optimize the proper functioning of the aerosol until its end and avoid clogging.
